Subject: FW: Hickman Egg Facility in Tonopah, Arizona

Hey Rich - I filed this with ADEQ yesterday. I talked to Chris Henniger and Spencer York - both with water. They were both clearly on team Hickman, if not on the payroll. Neither could or would tell me if Hickman filed an NOI for a storm water construction general permit and/or if Hickman has a Storm Water Pollution Prevention Plan. Hence the records request.

Subject: Records Request Re: Proposed Hickman Egg Facility in Tonopah, Arizona
Importance: High

I would like to review records pertaining to the Hickman Egg CAFO (aka Desert Pride Farms) that is being constructed in Tonopah, Arizona on 360 acres near Indian School Road and 419th Avenue. Specifically, I would like to review:

1. The Notice of Intent (NOI) filed by Hickman - for coverage under the Construction General Permit;
2. Hickman's Stormwater Pollution Prevention Plan ("SWPP") - if ADEQ does not have a copy, please request a copy from Hickman for me;
3. The Notice of Intent (NOI) filed by Hickman to fall under the AZPDES General permit for CAFO's;
4. Hickman's Nutrient Management Plan; and
5. Any/all correspondence/documents in ADEQ's files pertaining to and/or discussing any aspect of the above;
6. I would also like to review any/all documents that pertain and/or relate to this facilities Aquifer Protection Permit ("APP")

I represent community members and a not for profit organization working with the community near the proposed facility. Thank you. I look forward to your response.
